

Arizona FFA

Middle School Programs

Below are the elements of a middle school agriculture career exploration course(s) approved for an FFA chapter:

- Delivers a structured sequence of instruction in the agriculture career cluster. Instruction does not need to take place on a daily basis but must occur according to a structured plan.
- Has an agriscience CTE certified teacher.
- Is inclusive for all populations.
- Involves agriculture industry through advisory committees and partnerships.
- Embeds age appropriate professional skills.
- Embeds age appropriate work based learning in the form of Supervised Agricultural Experiences.
- Ensures academic standards are integrated into the curriculum.

Please note: instruction in a specific career pathway will not be eligible for CTE funding.
